

# RE: MIS: SERVICE PROVIDER CHANGE OVER STATUS

---

**Date:** 02 July 2019

## **Dear Valued Stakeholders**

Please be advised that the CHIETA MIS system will not be available from the 05 July 2019 until the final MIS service provider change over process has been concluded. Stakeholders are requested to contact your regional support offices for details of manual processing whilst the system change over process is concluding. We will provide further communication of when a system will be available during the course of next week 08 – 12 July 2019.

Please contact your nearest regional offices as per the contact details below for ongoing support in all your skills development activities.
